

New Y Series soybeans

Meet the new Pioneer® brand Y Series soybeans. Y as in Yes to the Accelerated Yield Technology (AYT™) system and resistance to many key pests. Yes, they're a step up from anything else on the market.* Yes, they are here now, not years down the road. And, Yes, you can get in touch with your Pioneer sales professional and ask about new Y Series soybeans for planting next season. For more information on Y Series varieties and the AYT system, go to www.pioneer.com/soybeans.
