

IT DOES THE MOST. THAT'S WHY IT SELLS THE MOST.

THE RHINO 700 FI - THE #1 SELLING*, MOST VERSATILE SxS

Farming, hauling, exploring, hunting – the Yamaha Rhino 700 FI will pretty much do whatever you need it to do. That's because the 700 FI has everything it needs to do it. Fuel injection for optimal throttle response at any altitude. On-Command® 4WD with Differential Lock to get you through the tough stuff. Ultramatic® automatic transmission that keeps the engine in the sweet spot for every situation. And for reliability, it's second to none, of course. Every Rhino is designed, engineered and assembled in the U.S. of A. The Yamaha Rhino 700 FI. It's not just number one. It's the one that does it all.
