

in **HARMONY**

with your corn.

NEW LAUDIS™ POSTEMERGENCE HERBICIDE has the power to take out a broad spectrum of both broadleaf and grass weeds while delivering unsurpassed crop safety. You also get residual control, but it won't keep you from rotating to soybeans the next season. Plus, **LAUDIS** helps you control glyphosate-resistant weeds. Go ahead and try some on your acres and discover a new power—in harmony with your corn. To see Laudis in action visit **LaudisInAction.com**
