

YOU DON'T WORK 9 TO 5, THAT'S WHY THERE'S AN OIL THAT WORKS 24/7.

When it's time to bring in the crop, you don't punch out at quitting time. You work till the job is done. So do we. Shell Rotella® T6 Full Synthetic engine oil is our hardest working engine oil yet, with improved protection in extreme temperatures. It gives you the engine cleanliness and wear protection you expect from Shell Rotella®. And up to 1.5% in fuel economy savings.* When your days start in the middle of the night, it pays to have an oil built to work overtime. Learn more at www.rotella.com
