

DuPont™  
Harmony® GT  
herbicide

## Count on DuPont to get the weeds Roundup excludes

Don't let tough weeds be excluded from your weed management program. Rely on DuPont™ Harmony® GT herbicide to control weeds like curly dock, smartweed and wild garlic that glyphosate alone can miss. Even henbit can be managed when using Harmony® GT. Reduce high fuel, labor and tillage costs and open the door to better burndown. [harmonygt.dupont.com](http://harmonygt.dupont.com)

Always read and follow all label directions and precautions for use.
