

**THE #1 BARRIER AGAINST
INSECTS AND WEEDS
JUST GOT EVEN BETTER.**

**INTRODUCING NEW
YIELDGARD VT TRIPLE.™**

*Reach your full yield potential with better root protection,
stalk protection and broad-spectrum weed control.*

With VecTran™ trait-insertion technology, new YieldGard VT Triple delivers more consistent insect protection. Combine that with the unsurpassed weed control of the Roundup Ready® 2 Technology System, and you've got a triple-stacked package that maximizes yield protection for today's top-performing hybrids.
