MORRISVILLE STATE COLLEGE

Educating Agricultural Leaders

Morrisville State College, one of New York's leading agriculture and technology colleges, offers bachelor and associate degrees in a variety of agricultural fields. Our unparalleled facilities include an equine complex, working dairy farm, agriculture center, horticulture complex, weather station and the latest technology in the industry.

- Agricultural business focus with on-campus dairy incubator and Nelson Farms, a small-scale food processing plant
- Equine Institute with breeding facility, half-mile racetrack and indoor riding arena
- Laptop program, wireless technology and cellular phones for each resident student
- Merit-based scholarships, including the Future Farmers of America scholarship
