

EVERY PASS, I KEPT THINKING, THIS TIME IT'S GOING TO WORK.

Glyphosate-resistant weeds are a costly reality for more growers than ever before. You've got to fight them before they show up in your fields. But to do that, you need a plan. Make your own in minutes with the Resistance Management Module at resistancefighter.com. Or call 1-866-3-DO-U-212 to request a free copy of the module on CD-ROM.
