

A FARM LEGEND IS REBORN.

THE NEW, MORE POWERFUL, FUEL-INJECTED YAMAHA RHINO 700 FI.

Now the Side x Side that launched a revolution is better than ever. Introducing the new Rhino 700 FI. Featuring a more powerful, fuel-injected engine for even greater chore-conquering power and quicker starts at any altitude. Fully independent front and rear suspension and thick, bucket seats for the smoothest, quietest and most comfortable Rhino ever. Exclusive dash-mounted, pushbutton On Command® 2WD/4WD system with differential lock, so you can haul, tow and spray on even the harshest terrain. Even cup holders, so you can stay as cool and comfortable as your Rhino. The new Rhino 700 FI. The legend continues.

The official Side x Side of the PBR.
