

## ENGINEERED TO PERFORM LIKE NO OTHER TIRE ON EARTH.

Firestone tires contribute more to the productivity of the American farmer than any other brand. That's because they are the best-engineered, best-serviced and best-backed tires you can buy. Built to perform on North American soils. Proven on our farm before they work on yours. Chosen by more producers than any other. Visit your certified Firestone Farm Tire Dealer or call 1-800-435-4437.
