

EVERY™ DAY.

GUARANTEED.

Every Cummins Tier 3 Quantum System engine from the QSB to the QSX comes with this Uptime Guarantee™: If you experience an engine-related failure that can't be repaired within 48 hours* you'll receive a \$500 credit toward future Cummins parts or service. No one else offers anything like the Uptime Guarantee, because no one else has the confidence of Cummins – in our engines – and our parts and service team. For details, visit everytime.cummins.com or call 1-800-DIESELS (1-800-343-7357). Cummins gives you the dependable, durable performance you need. Every day. Guaranteed.

*48-hour term begins at the start of engine diagnosis by an authorized Cummins service provider. The Uptime Guarantee applies to QSB, QSC, QSL, QSM and QSX Tier 3 engines put in service after May 1, 2005. It starts on the engine's in-service date and continues through December 31, 2006. Credit valid for six months from date of issue.
