

**WORKS HARDER. RIDES SMOOTHER.
STARTS EASIER. GOES FASTER.**

NOW WITH EFI

Welcome to *RANGER* Country, where we work harder and we ride smoother. The Polaris *RANGER* XP - with a 700 twin electronically fuel-injected (EFI) engine - starts instantly and delivers strong, smooth power up to 44 mph. Its independent rear suspension delivers the legendary smooth Polaris ride. It hauls and tows more than anything in its class. Its exclusive on-demand true 4-wheel drive provides the ultimate in traction. And its revolutionary new Lock & Ride™ cargo system lets you carry firearms, gear and equipment easier than ever. The Polaris *RANGER*, now with available electronic fuel injection. It's the hardest-working, smoothest-riding off-road utility vehicle you can buy.
