## THE NEXT LEVEL IN GRAIN HANDLING.

### CHOOSE YOUR "WHEELS"

**1050:** ROW CROP axles/wheels, giant floater-style SOF-TREDS and 24" or 36" SOF-TRAKS.

**850:** 30.5" x 32" 16-ply R-1 (traction tread) or R-3 (diamond tread) or SOF-TRED flotation tires.

**650:** 24.5" x 32" 16-ply (diamond tread) or 30.5" x 32" 16-ply (diamond or traction tread) tires.

- 700, 850 and 1050 bushel capacities!
- Unmatched strength and stability!
- Classic, low-profile design with increased unloading height and reach!
- Giant vertical unloading augers. (650 – 16" auger/18" O.D. tube; 850 – 18" auger/20" O.D. tube; 1050 – 20" auger/22" O.D. tube)
- Superior powder coat finish!
- Under 2 ½ minute unloading times.
- Huge one-piece horizontal augers — rear access for convenient service.
- Built-in grain tub cleanout feature.
- Standard auger-mounted work light.
- **NEW!** Optional hydraulic tip spouts for 850 or 1050

**On-Demand**  
Positive Drive System

- Multi-strand V-belts power horizontal auger — quiet, positive drive ... ON DEMAND! 650 – single 4-band V-belt; 850 – two 3-band V-belts; 1050 – two 4-band V-belts
- Unrestricted grain flow — lower HP req. per bushel.
- Overrunning clutch in PTO protects tractor and wagon.
- Reduced daily maintenance — no chains or sprockets!
