

EVERY™ ENGINE. AVAILABLE.

RECON® MIDRANGE ENGINES

When you need to swing an engine, the solution is as close as your local Cummins distributor or dealer. Our ReCon MidRange engine-stocking program makes our most popular ReCon engines readily available throughout the U.S. and Canada. Cummins ReCon engines are completely remanufactured, incorporating the latest upgrades in materials and design. They are quality-checked to meet Cummins rigid specifications and are backed by the best warranty in the business. Add up the extra hours of service, the superior reliability, the performance upgrades and reduced maintenance and there is no question that Cummins ReCon engines deliver great value. Whether you need to replace an engine right now, next week or next year – Cummins ReCon MidRange engines are your best choice. Every time.
