

More options on the table  
mean more results in the bin.

The plans start the same every season. Find a way to maximize the varying potential of all your corn acres. Putting the right product on the right acre is critical to putting top yields in the bin. Pioneer® brand hybrids are developed with proprietary genetics combined with herbicide and insect trait choices to deliver just what you need, just where you need it. With Pioneer hybrids, you can be sure that each bag contains only diverse Pioneer genetics. And you can rely on your Pioneer sales professional to apply local knowledge and the full resources of Pioneer to help you make better choices that lead to better yields.
