

STRONG ROOTS, STALKS & YIELDS

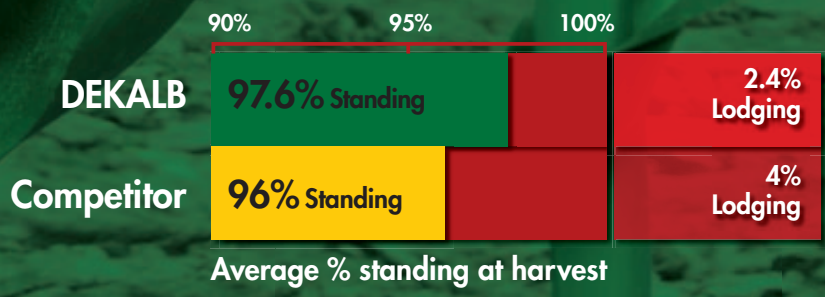

**Three solid reasons
why more farmers are
planting more DEKALB®**

**Strong DEKALB roots and stalks
improve standability, and with
better standability comes higher
yield potential.**

**Over 44,000 Field Trials
Demonstrate the DEKALB
Standability Advantage:**

**A competitor's leading products
lodge nearly twice as much
as leading DEKALB products.***
