

NOW THERE'S
SOMETHING **TOUGHER**
THAN YOUR TOUGHEST
DAYS.

INTRODUCING THE RUGGEDLY RE-ENGINEERED RANGER XP™

It's the hardest-working, smoothest-riding RANGER® ever built. With new, massive storage, tilt steering, and intelligent ergonomics, the new XP helps you work longer. New Dual Front A-Arms provide 50% easier steering and more suspension travel for a smoother ride. And the legendary RANGER features still remain: 50-mph top speed, 700 Twin EFI engine, On-Demand True All-Wheel Drive, and class-leading 1-ton towing. It's redefined what a utility vehicle can do. And nothing else comes close.

See it up close at your local Polaris® RANGER dealer or visit newRANGER.com.
