

DuPont™
Resolve™
herbicide

Count on DuPont to shift your glyphosate program into overdrive

Rev up weed management with DuPont™ Resolve™ DF herbicide. It combines a more complete burndown of many troublesome weeds with residual activity. Resolve™ DF also provides an additional mode of action to help minimize the occurrence of resistant weeds in a glyphosate-resistant corn program. See your DuPont retailer and leave weeds in the dust.

resolve.dupont.com

Always read and follow all label directions and precautions for use.
Resolve™ DF herbicide is not available in all states. See your local DuPont retailer or representative for details and availability in your state.
