

STRONG ROOTS AND STALKS

**EXCLUSIVE
GERMPLASM**

**GENUITY™
VT TRIPLE PRO™**

BETTER GRAIN AND LESS REFUGE

Take a look at DEKALB® with its strong roots, stalks and yields. Add Genuity™ VT Triple PRO™ and you get greater control of ear-feeding insects like corn earworm – for better grain quality and only 20% refuge in the South. Together, they give you a higher level of performance.

That's what you can count on from DEKALB.

To learn more, visit DEKALB.com.

Always follow pesticide label directions, grain marketing and IRM requirements. Details of these requirements can be found in the Trait Stewardship Responsibilities Notice to Farmers printed in this publication.
