

To learn what makes Pioneer® brand hybrids with Herculex® XTRA™ **The Better Bt™**, go to www.pioneer.com/betterbt

The Better Bt™. It starts with unique Pioneer germplasm, foundation of consistent performance and decades of top yields. Then it incorporates the industry's best in-plant pest control: Herculex® XTRA® insect protection. Above ground, Pioneer® brand hybrids with Herculex XTRA not only control **corn borers**, they also provide the only available
