### OUR COMMITMENT

**MidAmerican Energy is committed to its customers and to energy efficiency.**

For more than 15 years, our EnergyAdvantage® energy efficiency programs have helped thousands of customers use energy sensibly. And, our unique Save some green® campaign is educating customers about the financial and environmental benefits that come with energy efficiency.

These efforts have saved enough electricity to power more than 90,000 homes for one year.

Working together, we are improving the energy efficiency of Iowa's homes, businesses, factories and farms ... and the best is yet to come.

Learn more about how we can all make a difference. Visit us on the Web or give us a call; we'll help you find the EnergyAdvantage programs that are right for you.
