

**Take Advantage** of your relationship with Golden Harvest®. Your Dealer is a farmer too, testing seed on land just down the road from yours. So, you can trust him to give you the best information and recommendations, because he's your neighbor, who knows your soil, your fields and your history. And it's all backed by our unique and respected Agronomy Up Front® research program. See for yourself how Golden Harvest is

***Farmer Tested, Farmer Trusted and Farmer Delivered.***
