

A man with a mustache, wearing a dark cowboy hat, a tan work jacket with a fur collar, a patterned scarf, and dark jeans, stands in a field. He is holding a large, silver and black power tool, possibly a post driver, with both hands. The background features a wooden fence, dry grass, and rolling hills under a clear sky. The lighting is warm, suggesting late afternoon or early morning.

**"I USED IT TO POUND IN TEN
MILES OF FENCE POSTS."**
