

WHAT YOU'VE ALWAYS KNOWN.

WHAT YOU NEED TO KNOW NOW.

Your FS Crop Specialist is always there for you with crop production solutions to help you make better decisions, improve your competitiveness and manage your risk. But he's also a great resource for seed that delivers the genetic quality, performance and bottom line results you need and want. In fact, comparisons from recent independent field trials showed that both FS Seed Corn and FS HiSOY[®] soybeans clearly outyielded leading brands. So whenever you need quality seed, reliable service and unmatched expertise, talk to someone who's always in the know—your FS Crop Specialist. And get a great start on a winning season.
